Public Comment

Councilman Huestis stated we are looking for Eagle Scout projects, if anyone has any ideas please let him know. He said in regards to Traffic Safety he hopes to finalize some of his ideas, and asked his colleagues and the Chief for their concerns. He said at the intersection of Ludingtonville Road and Route 52 there has been 6 accidents in two years, pressure and advocacy needs to take place. He asked Town Counsel for help implementing no smoking in Town Parks.

Councilman Denbaum said during the week a special meeting was held to officially approve the term limits proposition on the ballot in November. He could not attend and called Councilman Osborn and asked if she would vote in favor of it to save us from rescheduling the meeting or something even worse. Although she eloquently opposed the idea of term limits and stood her ground she said it had passed the town board and as procedure she would vote yes to save him the trouble, time and embarrassment. He thanked her and said it was very kind.
